

DFW Child Magazine Names Daryl Greebon, MD and Elizabeth Coronado, MD to the 2015 Mom-Approved List of OBGYN's, Midwives and Fertility Specialists in Dallas-Fort Worth

Drs. Greebon and Coronado, both of Women's Specialists of Plano, were selected as Mom-Approved Doctors by votes from local moms in the Dallas-Ft. Worth area.

Plano, Texas ([PRWEB](#)) February 25, 2015 -- Dallas Child Magazine recognizes [Daryl Greebon, MD](#) and [Elizabeth Coronado, MD](#) as a 2015 Mom-Approved OBGYNs in Dallas-Fort Worth. A Mom-Approved Doctor is a physician who has earned the trust, admiration and respect of parents in North Texas. The list was compiled from local parents who nominate OBGYN's that they feel other moms need to know about.

Drs. Greebon and Coronado are board-certified OBGYN's and partners at Women's Specialists of Plano. They both believe that the health and well being of the mom and baby comes before anything else. They ensure that parents are informed, prepared, skillfully cared for, and emotionally supported throughout their pregnancy. For women who have trouble getting pregnant they also offer infertility counseling.

Having delivered over 5,000 babies, Dr. Greebon is highly experienced with both normal and high-risk pregnancies. In the case of a high-risk pregnancy, both the mom and baby may need special monitoring. Dr. Greebon is skilled at caring for pregnancies that involve slowed growth of the baby, preterm labor, preeclampsia, problems with the placenta, and other health issues. No matter the type of pregnancy, Dr. Greebon ensures that each woman feels comfortable and supported through every step of her nine-month journey.

As a mother of three children, Dr. Coronado understands how special and unique each pregnancy is. With over 10 years of experience as an OBGYN, Dr. Coronado has delivered over 3000 babies. Dr. Coronado has special training and experience in all aspects of high-risk pregnancies including multiple births, diabetes, and any other health concerns of mom or baby. From the first visit to the delivery, Dr. Coronado focuses on educating women on what to expect and how to maintain a healthy pregnancy.

Recognizing that each pregnancy is unique, Drs. Greebon and Coronado focus on providing the best possible care and guidance for each patient. For women who looking for an OBGYN in the Dallas-Fort Worth area, please contact these Mom-Approved Doctors at: 972-379-2416.
